

CLOSET INVENTORY

ORGANIZING YOUR WORLD

Performing a quick inventory of the items that are currently in your closet - and items that will be added - will help your Closet Plus designer create the most effective layout.

- Take separate inventory for each person - two columns are provided for shared closets.
- When measuring hanging items, measure from the closet rod to the bottom of the Hems
- Folded items generally take up 12" of space
- When measuring shoes, handbags and other items; count boots, oversize or bulky items separately.
